

MEMBERSHIP REGULATION for ASSOCIATED MEMBERS

PREMISES

1. Skillman is an international Sector Skills Alliance for Advanced Manufacturing in the Transport Sector lead by CSCS Italy within the framework of the Erasmus+ Programme, launched with the support of the EACEA and the European Commission and including the following founding organizations:
 - CSCS Centro Studi “Cultura Sviluppo” (IT)
 - Centro Ricerche Fiat scpa (IT)
 - Consiglio Nazionale delle Ricerche (IT)
 - Cepas Organismo di Certificazione delle Professionalità e della Formazione (IT)
 - Birmingham Metropolitan College (UK)
 - Jaguar Land Rover limited (UK)
 - Excellence, Achievement & Learning ltd (UK)
 - EEF, the Manufacturers’ Organisation (UK)
 - Teknisk Erhvervsskole Center (DK)
 - Scandinavian Airlines System Sas Consortium (DK)
 - Industrens Uddannelser (DK)
2. Skillman draws on evidence of trends in the specific economic domain of advanced manufacturing in the transport sector, depicting skills needed by the industry in order to offer learning opportunities required to perform strategic, innovative or mostly demanded professional occupations;
3. Skillman is engaged in designing and delivering joint vocational training programmes and innovative teaching and training methodologies, including mobile e-learning solutions;
4. Skillman focuses both on initial as well as continuous vocational education and training, providing learning opportunities to youngsters, to reach innovative qualifications, and to workers, to up-skill or re-skill according to respective specific needs;
5. Skillman adopts a work-based learning approach and transnational learning mobility, in order to provide learners with the skills required by the labour market;
6. Skillman embeds a wide number of recognition tools in order to maximise the potential and impact of its educational offer and qualifications within and beyond Europe;
7. Skillman aims to establish synergies and cooperation within the framework of the Skillman Alliance, Sector Skills Alliance for Advanced Manufacturing in the Transport Sector;

REGULATION for ASSOCIATED MEMBERS

ART. 1 – Aims

Associated members declare the willingness to establish a mutually beneficial cooperation with Skillman with the final aim of contributing to the development and promotion of innovative solutions in the field of advanced manufacturing in the transport sector.
